## OPEN COMPETITION FOR FULLY FINANCED MASTER AT THE UNIVERSITY OF BOLOGNA: 19 POSITIONS AVAILABLE

The University of Bologna, Polo Scientifico e Didattico di Forlì, with the support of the Italian Ministry of Foreign Affairs, is launching a new Master Programme in Institutions and European Politics (MIPE), in cooperation with the "Collegio Europeo di Parma".

The Master will be held in Parma, Italy, from January 2005 to December 2005. The Master is intended to offer methodological and practical knowledge on EU policy-making, politics and institutions to 19 post-graduate students from Albania, Armenia, Azerbaijan, Bosnia and Herzegovina, Croatia, Georgia, Kosovo, Macedonia and Serbia and Montenegro. Indeed, applications from Bulgaria and Romania, as well as Byelorussia, Moldavia and Ukraine may be considered.

Competition is open to all students having completed or about to complete a BA (equivalent Italian laurea). We particularly welcome applications from: social science graduates who want to develop training in EU-related issues or wish to strengthen their analytical skills, in relation to EU policies; social science graduates who aim to use their Master as a first step towards PhD-level research; staff working in the public or private sectors who wish to undertake a period of mid-career re-training.

The students are expected to attend courses and seminars related to the EU integration process and EU policies in general, as well as modules devoted to research methodology. Courses are generally held in English. Special attention is given to the following courses: European political systems, EU policies and polity, EU integration, Economics of liberalization and privatization, EU institutions, Private and Public EU law.

In order to improve students' capacity to implement theoretical knowledge and provide them with a useful work experience, the Master includes a 300hr stage at a local institution. The multidisciplinary approach and the high level of academics, as well as individual tutorials, will result in an intensive programme which will prepare potential public servants, policy-makers, officials in international organizations, post-graduate students, or those who have a professional interest in deepening knowledge on EU-related issues.

Each student admitted at the Master will be granted a scholarship (? 410 per month), from January 2005 to December 2005. No fees are to be paid by students enrolled in the programme. Accommodation will be provided by the Organizer. Courses will start the last week of January 2005.

28/11/04 NOV 20 11/82  
17/11/04 NOV 20 11/82

We kindly suggest those who might be interested at the Master to visit the web-page of the Collegio Europeo di Parma carefully in order to have all the information required to non-Italian citizens (submission of application to the Italian Embassy, Visa etc.). Candidates aiming to apply for the Master degree are advised to apply as early as possible and preferably no later than 17th December 2004.

Further information on scholarship, as well as life in Parma and accommodation issues, may be obtained from the Collegio di Parma's Office specifically at [www.collegioeuropeo.parma.it](http://www.collegioeuropeo.parma.it) 0039 0521/207525 - fax 0521/384653

(E-mail: [mipe@colleuparma.org](mailto:mipe@colleuparma.org)).
